All the parties of 8 people or over are requested to pay a deposit of £10 per person within a week from the day that the booking is made.

The Christmas Day bookings need to be paid in full (£55) within 2 weeks from the day that the booking is made.

The deposit can be paid in cash in our restaurant premises or with the card details over the phone.

Booking times & tables

Please be aware that the tables are allocated by the management team depending on the availability and the size of the party and we cannot guarantee any preferential table. Please check with our staff in charge the number of tables that your party might require in order to avoid any misunderstandings. Please note that because of the high number of parties that we cater for in December the level of noise will be increased and might affect any small tables.

Cancellation policy

Any cancellations of parties over 8 people after 15th of November are not refundable as the table cannot be used again due to low demand after the beginning of the November. All parties will need to provide a final number of attendants until the 15th of November in order to receive a refund.

Any changes made after the 15th of November are non-refundable.

The refund will be provided in a form of voucher only.
